读完后，我的感受

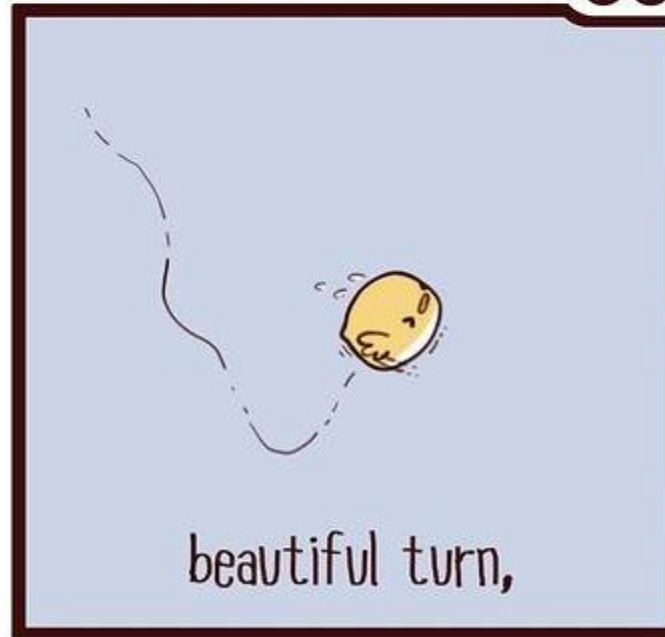

When retelling a story remember to talk about...

<https://www.netflix.com/gb/title/60034582>

148年前，儒勒·凡尔纳写了这个故事。

Jules Verne wrote this story  
148 years ago.

<https://youtu.be/tFe7H-7YWD0>

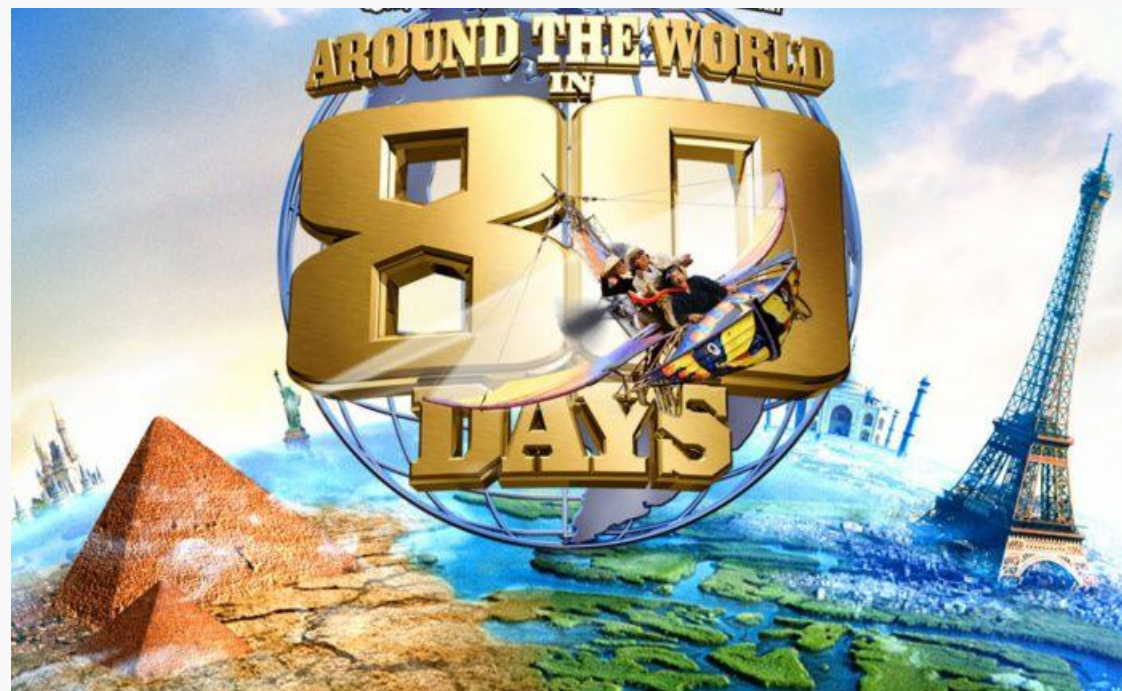

这个故事的**主角是**Phileas Fogg先生。

Phileas Fogg is the main character in this story.

Fogg先生跟朋友们打赌可以在80天内环游地球，**却**没有人相信他。

Mr. Fogg bet that he could travel around the planet in 80 days. But nobody believed in him.

<https://aroundtheworldtours.com/around-the-world-in-80-days-travel/>

Phileas Fogg先生带着仆人从伦敦出发，穿过欧洲、到达非洲，又从埃及跨过红海到了亚洲，再从东京坐船赶到北美洲，最后横穿北美洲，从纽约返回了伦敦。

Phileas Fogg left London with his servants and crossed Europe, arrived in Africa, crossed the Red Sea from Egypt to Asia, then sailed to Japan, then across Asia, and returned from New York to London.

<https://aroundtheworldtours.com/around-the-world-in-80-days-travel/>

一路上，Fogg先生不断挑战自己的恐惧，勇敢地尝试了热气球飞行、自驾飞机飞越雪山，开火车穿过原著民领地，**只为遵守时间。**

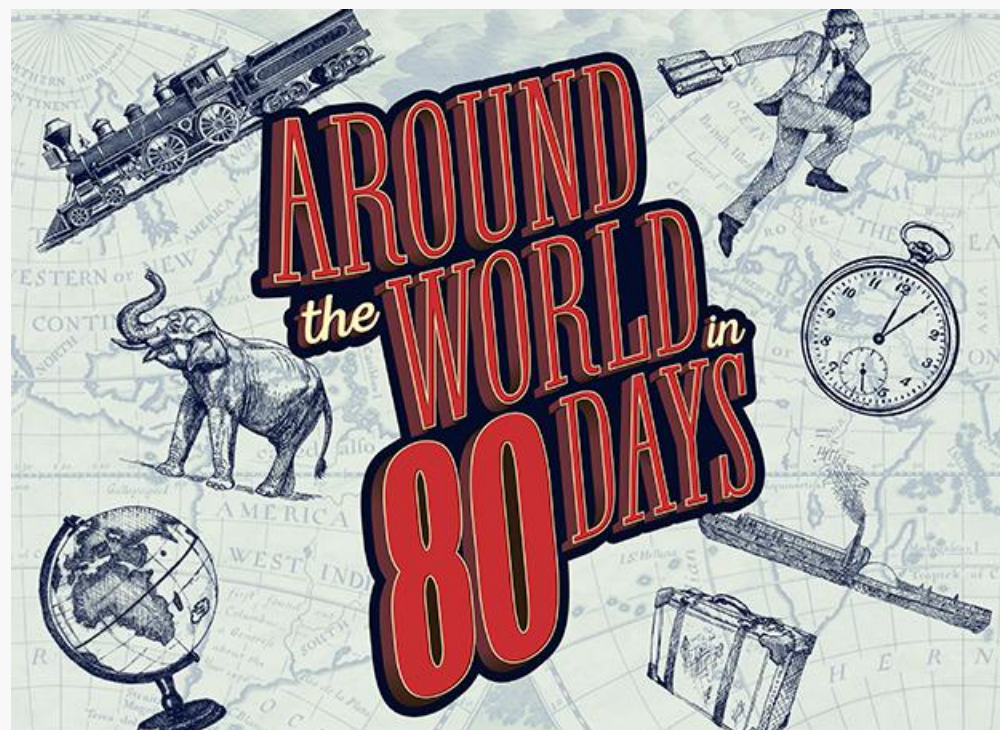

On his journey, Mr. Fogg bravely conquered his fears by undertaking hot air balloon rides, flights in self-driving aircraft over snow capped mountains, and rail trips across indigenous lands. The only purpose is timing.

<https://www.wpr.org/shows/around-world-80-days-14-15-0>

我**喜欢**书中Fogg先生的挑战精神，却**更敬佩**Fogg先生守时的做事原则。

In the book, I like Mr. Fogg's challenging spirit, but I also admire his punctuality.
